Dear Paul and Jone.

Thank God for you two for giving you the gift for T.B.N. I just love you Jone and Paul from the bottom of my heart.

T.B.N. are a blessing to me my T.V. stay on day and night on channel 45 our station here in Miami.

I see most every program come on day or night I go to sleep watching trying not to miss Praise the Lord, as E.V. Hill say (Wow-) it is the greatest.

I just love the T.B.N. family's and all their programs.

Dear Jan + Paul,

My husband + I really are so grateful to your wonderful programs you put on. Thank God for Religious Programs such as yours instead of having to watch the awful stories or programs that are put on on the other networks. If it were not for Networks such as yours or some of the very few programs we feel are worthwhile and looking at these would be no T.V. set in our home, believe me.

I would appreciate if you would send me the Jesus Little Light I so badly want + thank you for it.

May God continue to bless your network + be with you always, thank you for your love + blessing for all people + we feel blessed by all of you. We love you all.

Sincerely

Greetings Paul and Jan! In the name
of Jesus!

I am writing to let you know that
I sincerely appreciate your ministry.

On April 3, 1989, while suffering a heart
attack, I was a patient in the Cardiac
Care Unit and someone turned on the TV
in my room and I was able to watch
your telethon.

It was late at night and I was alone,
in pain and battling satan to keep my
faith. My family and parishioners were
nearby and in prayer but I needed
personal ministering.

Unusual as it was to have the TV on in
the CCU, I asked the nurse to turn up the
volume. It seemed as though you and Jan
and the others were there ministering
just to me.

Thanks to God and His Healing power, I
am in my pulpit and recovering well.

Pray - May God grant you strength and support
to continue your effective ministry.

In Christian love,

How I appreciate T.B.N.

I had to retire from nursing

Through prayer, the teachings on

Jesus healed me.

Dear Paul & Jan -

A wonderful praise report. ~~I have had~~ I am so glad to join in praying for my friend Bruce Baile, missionary in Colombia to the Montilone ~~Indians~~ Indians. He was captured by guerrillas in the early fall of '88 as they felt he was a threat to drug trafficking, + ~~the~~ Montilone-Baile land was ideal for the drug crops.

~~He had been sentenced to death, but~~
~~miraculously~~ was set free a few weeks ago. I learned from a news broadcast that he was able to minister to ~~those~~ ~~that~~ held him captive -- had bible studies + prayer meetings + said they were hungry for the word of god. He is taking a 3-month vacation in the States + then going back.

Thank you for joining in prayer.

Dear Jon & Paul,

Last Sunday I went on a little trip to Naples, Fla. which is only 100 miles directly west of Hollendale where I live. I was driving my 87 Dodge Aries at a reasonable speed of 50 miles an hour. My granddaughter Llana was in the front seat next to me. My daughter Dolores was in the back seat with my 11 year old grandson Jason. He is the son of another daughter named Llana. My car hit the shoulder and I lost control of it - it went off the road and flipped over on its roof. It was a devastating experience. Dolores prayed to Jesus to save us. I had the Jesus sticker on my bumper. And thanks to Jesus we all survived with minor injuries. Llana and I got cut by the broken glass of the

front windows of the car. My car
is ruined but I don't care. God
spared us. I don't ever want another
front wheel drive car. When it hit
the gravel, the car was uncontrollable.

I'm sorry I missed you when you
came to Channel 45 but I watched
you on T.V. You are such a blessing
and because of Channel 45 I saw
Doug Clark and went to see him.
I also attended his church and was
saved. My daughter Adore also was
saved right after - We all love Jesus.

Now I'm looking for another car
I will use the Jesus Key chain always.
My key chain now has Please the Lord
on it.

God Bless You

Sincerely
Frances Anita

Dear Praise the Lord staff,

It used to be that church was only on Sunday the rest of the week I didn't know where my Bible was. I would have to find it Sunday morning.

But now because a channel 45. Church is an everyday affair. I'm a busy Christian who is searching and learning every day with shows from Benny Hinn, R.W. Schambrauch, Larry Lees, John Jacobs, Dr. Whitaker, James Robison, Kenneth Copeland & Marilyn Hickey. Everyday is Bible study! Thank you for Real Video too! If wish it was earlier and longer though.

Everynight I fall asleep watching Praise the Lord. I thank the Lord for IBN.

Please send me tape number 116-89 of Rick Adewin and Joseph Yeld. Also the answer books from Pam & Bonnie Schaeffer. Thank you.

Thanks for having Benny Hinn on during the week of the mighty wonders conference it was great we sure enjoyed it & love every minute of it.

Beloved Brothers and Sisters in Jesus Christ

I sincerely wish to thank you for the precious series "CONOCIENDO A DIOS", conducted by PASTOR DAVID CASTRO.

It have been a great blessing for my family and I the word of GOD that he is preaching.

Plenty of beautiful revelations we have received that word in the bottom of our hearts and we really believe that the Latin people needed a television program like this.

We encourage you to follow in this way, sending the blessing of our Lord to the Hispanic Audience through a servant of God like our brother David Castro, because he is teaching to the people WHO IS OUR AMAZING LORD JESUS CHRIST.

Many thanks to you again.

Dear Jan and Paul

We have grown to love "Jan & Paul" very much.

They make much joy in our camper. Some nights when the music for T.B.N. comes on (10:00 P.M. EST) and someone else comes on, we watch. They are all fine, but we just love "Jan & Paul". We always feel lifted up in Jesus.

We tape every night, so we can watch the program the next morning, and many of the segments are saved for later use. One segment that we have saved is from Feb. 14. the one of You and Jan, Dwight and his wife, and Laverne and Edith when you were discussing the horses and foals. Please have more such programs, because they make us realize that Christians can have fun.

Yours for the Kingdom of Jesus
May he come soon.

Pear Paul & Jan,

I want the both of you to know how much I appreciate the work God is doing through your lives. I thank God for the vision He has given you... I thank God for T.B.N., and the T.B.N. family. It blessed my soul to see that most of the ministers are a husband and wife, or a family team... that gives me hope... that God is truly going to bring families together again. I want to see families come together to do a great work for God. Praise the Lord!
